Majesty

Stunningly Beautiful

Lowrey organs look as good as they sound! And the all-new Majesty is unmatched in both beauty and sound! Graciously designed wood cabinets built to precise specifications add a touch of luxurious elegance to any home. Select from an American Oak finish, pictured to the left, or the sumptuous Cherry finish, shown on the front cover. Refined details such as steam-bent wood solids, natural wood rolltops, and padded benches are just some of the eye-pleasing qualities found on the Majesty.

Disk Drawer

A disk storage drawer is hidden away under the lower keyboard. Deep pockets offer plenty of space to hold your collection of music disks.

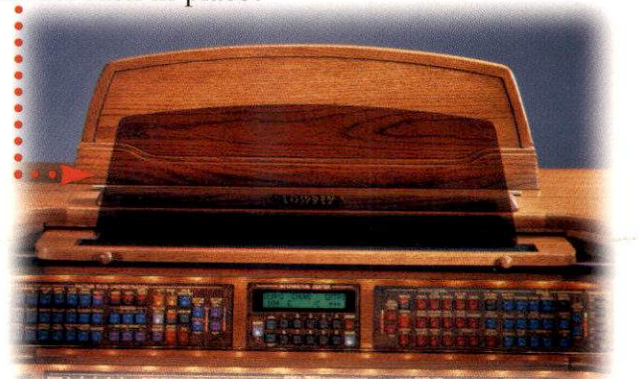

Information Center

The large, easy-to-read display window is the information hub for the Majesty. Virtually every function of the organ is displayed in the window. Tempo, chord / bass pedal, and numeric entry information are shown. Are you loading, saving, or naming a new set of presets or saving a recording with the Music Recorder? Watch the window for guidance. Select a Rhythm Style, press the Intro/Ending button and play a chord to start the style. The window will tell you when to begin playing your song! The window also displays Genius Sound menus, Rhythm Style names, and Advanced Features options and settings.

Music Rack Extender

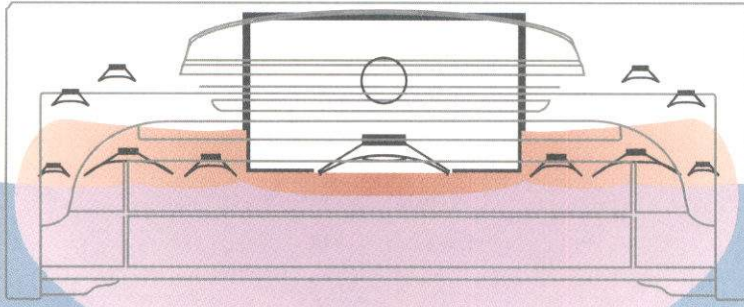

Lowrey's Music Rack Extender brings printed music closer to the seated player. Slide the extender drawer out and lift the smoked plexiglass music rack from its storage slot. Position the rack and you are ready to play! The extender's convenient location allows the rolltop cover to be opened and closed with the extender rack in place!

Numeric Keypad

The Numeric Keypad buttons are large and easy-to-press, too! Set Rhythm and Volume levels, adjust Reverb or Sustain levels, choose a Genius sound, or modify an Advanced Feature. The Easy, Scroll, Enter and Clear buttons are located here, as well.

Fill Your Home With Breath-Taking Music

The Majesty delivers that "Sweet Lowrey Sound" through a powerfully sophisticated audio system. The five channel, 11-speaker configuration produces a full spectrum of musical tones - crisp, clean highs through commanding lows. The Majesty's amazing clarity and distinct separation of sound is achieved with a complex electronic crossover network that orchestrates the 250 watts of audio power. Each speaker in the system is allocated specific power and sound frequency signals that result in a symphony of beautiful sound.

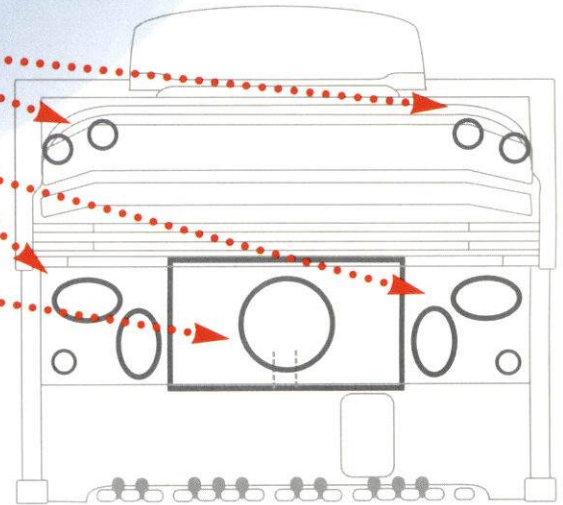

Better Sound by Design

The system's 11 speakers are strategically located for optimum "Live Performance Sound" quality.

Four full-range speakers are situated high in the cabinet for the seated player's benefit.

Four mid-range speakers and two high-range tweeter speakers flank the bass box lower in the cabinet for maximum sound projection.

Bass Sound! 100 watts of audio power is directed exclusively to the 12" bass speaker. Lowrey has placed this extra-large speaker in a precisely designed cabinet featuring a specifically tuned bass port. The large speaker size, speaker box dimensions, and port combine to create a well-defined, wide-range of bass sound.

Rhythm Plus Orchestration

The Majesty offers more rhythm variety and versatility than any Lowrey organ ever! 144 fully-orchestrated patterns cover a world of musical styles. Rhythm features like Intro/Ending, Genie, Orch, Orch Plus, Rhythm Only, Drum Variation, and FX offer a high degree of flexibility.

Majesty Specifications

Rhythm Plus Orchestration

Features & Controls

These features work with the rhythm styles listed inside. **Genie, Orch, Orch Plus** let you control how much of the rhythm style is heard, **Variation 1-2-3-4-5** provides each rhythm style button with 5 distinct variations **Rhythm Preset 1-2-3** takes the guess work out of what sounds to use for a particular style. There are 3 presets for each rhythm style yielding 432 presets in all, **Auto Bass 1-2** plays the bass pedals for you, **Drum Variation** changes the drum pattern in each rhythm style, **Rhythm Only** plays just the drum portion of a rhythm style, **MCS** is Lowrey's famous music chord system for easy-play chords, **Memory** holds the last MCS chord played even after the key is released, **Intro/Ending** adds professionally-scored beginnings and endings to your songs, **Start/Stop** begins and pauses a rhythm style, **FX** plays a rhythm break or fill-in any time the feature is activated, **Rhythm Volume** controls how loud or soft the rhythm style plays, **Rhythm Tempo** adjusts the speed of the rhythm, **Downbeat** indicator flashes on the first beat of the measure for any rhythm style being used, **Tap Tempo** allows you to set the rhythm tempo by manually tapping a beat with your hand on the FX Touch Bar.

Presets

Presets are groups of sounds, features, effects, volume settings, and balances that set up the entire organ by simply pressing just one or two buttons. The Majesty has 120 Presets for a wide variety of preset musical sounds.

General Presets There are ten great-sounding registrations at the touch of a single button.

Category Presets Press one of the six Category buttons: Theatre, Country, Big Band, Shows, Latin, or Sacred and you get ten new dynamic registrations for each category. That's 60 more set ups!

Bank Presets Get 50 more registrations with the five Bank buttons: A-B-C-D-E. Each button is set from the factory with fabulous sounds or you can customize the banks with your creations using the Memorize button. Go even further by saving your favorite registrations on a disk using the Majesty's Disk Drive to build a library of your very own registrations.

Disk Drive

Have you ever come up with that "perfect" sound only to lose it once your organ was shut off? Now you can capture that golden moment forever by saving your registration creations on a 3.5" disk. The Disk Drive can also capture your musical performances for future playback working in conjunction with the Music Recorder. The Majesty's Disk Drive also lets you utilize the numerous titles of commercially produced Standard MIDI file (SMF) disks for your listening pleasure.

Majesty Details...

2- 61-note keyboards
25 spinet pedals

Dimensions:

29" deep
52" wide
54.5" high

Weight:

387 lbs. (w/bench)
